Greetings in the Name of Jesus!

We pray that you had a wonderful Christmas and that this new year will be an absolute blessing to you.

Our Christmas outreach was a GREAT success! We gave out approximately 600 gifts. We gave away three tons of groceries. Marty and the ladies helping him served food all day. And the greatest, greatest blessing is over 150-200 prayed and asked Jesus Christ to be their Lord and Savior. A lot of people came to help put on this event and everyone worked together in such harmony and love, it was a real blessing.

The beginning to this new year has been absolutely AWESOME. The first meetings have been very, very powerful. During much prayer, the Lord has given me a theme for 2012: Embrace change. God is getting the church in position so that she will be a strong, mighty net to bring in the end-time harvest of souls.

It is crucial for each of us to know our place in the body of Christ and to have God show us our gifts and our callings. That is why we have our **School of Ministry**. At this school we teach you how to recognize your giftings, your calling, and your anointing. We teach how to walk in the supernatural, and how to do evangelism, which is every Christian's calling, to lead people to Christ. The classes will be held at our facilities in Gerber, California, March 27th - 30th. It is good to invest in yourselves. The classes are free of charge but you will need to invest time and finances to come. There will be intense teaching and practical application where you will be able to move in the gifts of the Spirit, and you will be able to be part of a large outreach on Saturday March 31st. God has placed it on my heart to equip the saints to do the work of Jesus, and you truly will learn that in these sessions. **This year will be a year of change for each and every believer. We must be willing to change and let God rearrange our hearts.**

We are excited! **GOD IS ALREADY LINING UP OUR MISSION TRIPS.** I am giving the dates so that you can begin to make plans: **June 20-23, Pennsylvania**, major outreach; **July 15-21, Christian Retreat on White Earth Reservation**; **August 10-19th, New York City**; **November 26-December 2, Trinidad**. More details about these trips will be on our website and in our next newsletter. Pray for these meetings and plan on attending. They are going to be very powerful. Attending these mission trips will help you to embrace change and get in the position God wants for you. **THIS YEAR IS GOING TO BE AN EXCITING, EXPLOSIVE YEAR IN THE GROWTH OF CHRISTIANS THAT WILL LET GOD DO CHANGES IN THEIR LIVES AND ENABLE THEM TO PRESS IN WITH ALL THEIR HEARTS.**

Marty and I know that Channel of Love Ministries is going to take a quantum leap this year. We have felt in our spirits that we are going to a whole new level. Last year was a VERY fruitful year, approximately 900 people came to Christ. But we know that this year is going to be phenomenal.

Recently Marty and I had some time to get away and walk the beaches. **Marty shared with me a vision that he had several years ago.** I believe God was refreshing our memory on some very key things about the ministry. This vision was about finances coming into the ministry, and that God wanted to give us large offerings and large amounts of funds to advance His kingdom. In the vision he saw two men that were dressed in dark hooded outfits. God told Marty those were demonic forces that are holding back the finances that are to be coming into Channel of Love Ministries. As we were talking, we both agreed that the only thing holding us back from doing some big events that God has given us visions of--which would see thousands and thousands come to Christ--was the finances. So we are asking you to come into agreement with us that we know that we have the power to bind up those demonic forces that not only try to stop Channel of Love but all ministries from going forward. Please pray, specifically binding up all demonic forces coming against Channel of Love Ministries so that nothing can hinder this, our quantum-leap year.

We thank you for partnering with us in the work the Lord has called us to do. We are a team working together. We know that it will take work and finances to bring in the harvest. We ask you to pray about continuing to partner with us this year with both your finances and your prayers. **PRAY ABOUT ATTENDING THE SCHOOL OF MINISTRY AND/OR THE MISSION TRIPS.**

God Bless,

Joan & Marty Pearce
